**AD/HD Success!**  
Solutions for Boosting  
Self-Esteem: The Diary  
Method for Ages 7-17

**Kerin Bellak-Adams**

**Buy for only R668.92**  
(VAT Incl)

"I cannot imagine a greater gift than giving "AD/HD Success!" by Kerin Bellak-Adams to someone who either lives or works with children with this disorder. Having a positive tool to help mold a child into a greater person because they will have a stronger self-esteem and be more self-aware is truly a wonderful thing."

## New International Product

### Wechsler Abbreviated Scale of Intelligence - Second Edition (WASI-II)

The WASI-II, a revision of the WASI, provides a brief, reliable measure of cognitive ability for use in clinical, educational and research settings. This revision maintains the format and structure of the WASI while offering new content and improvements to provide greater clinical utility and efficiency.

Psychologists and researchers can use this quick and reliable measure when screening for learning difficulties or intellectual giftedness, or for other purposes:
